

Wedding Prep & Pricing Guide

Thank you

FOR CONSIDERING US TO TAKE PART IN YOUR VERY SPECIAL DAY

Your wedding day isn't just about looking beautiful - it's about feeling radiant, grounded, and confident from the inside out. The way you feel in your skin sets the tone for your entire day, and that feeling stays with you long after the last dance.

When you love how you look, there's a lightness in your step - a deeper sense of joy that shines through every photo, every embrace, and every moment shared with the people you love most. Those are the memories that stay with you forever.

We're here to make your getting-ready experience just as special as the walk down the aisle. Let us handle the details so you can sip champagne, laugh with your favorite people, and fully enjoy the beauty of being a bride.

We're honored to be part of this chapter and can't wait to create a look that feels completely you.

xo, *Rachel*

WHAT to expect

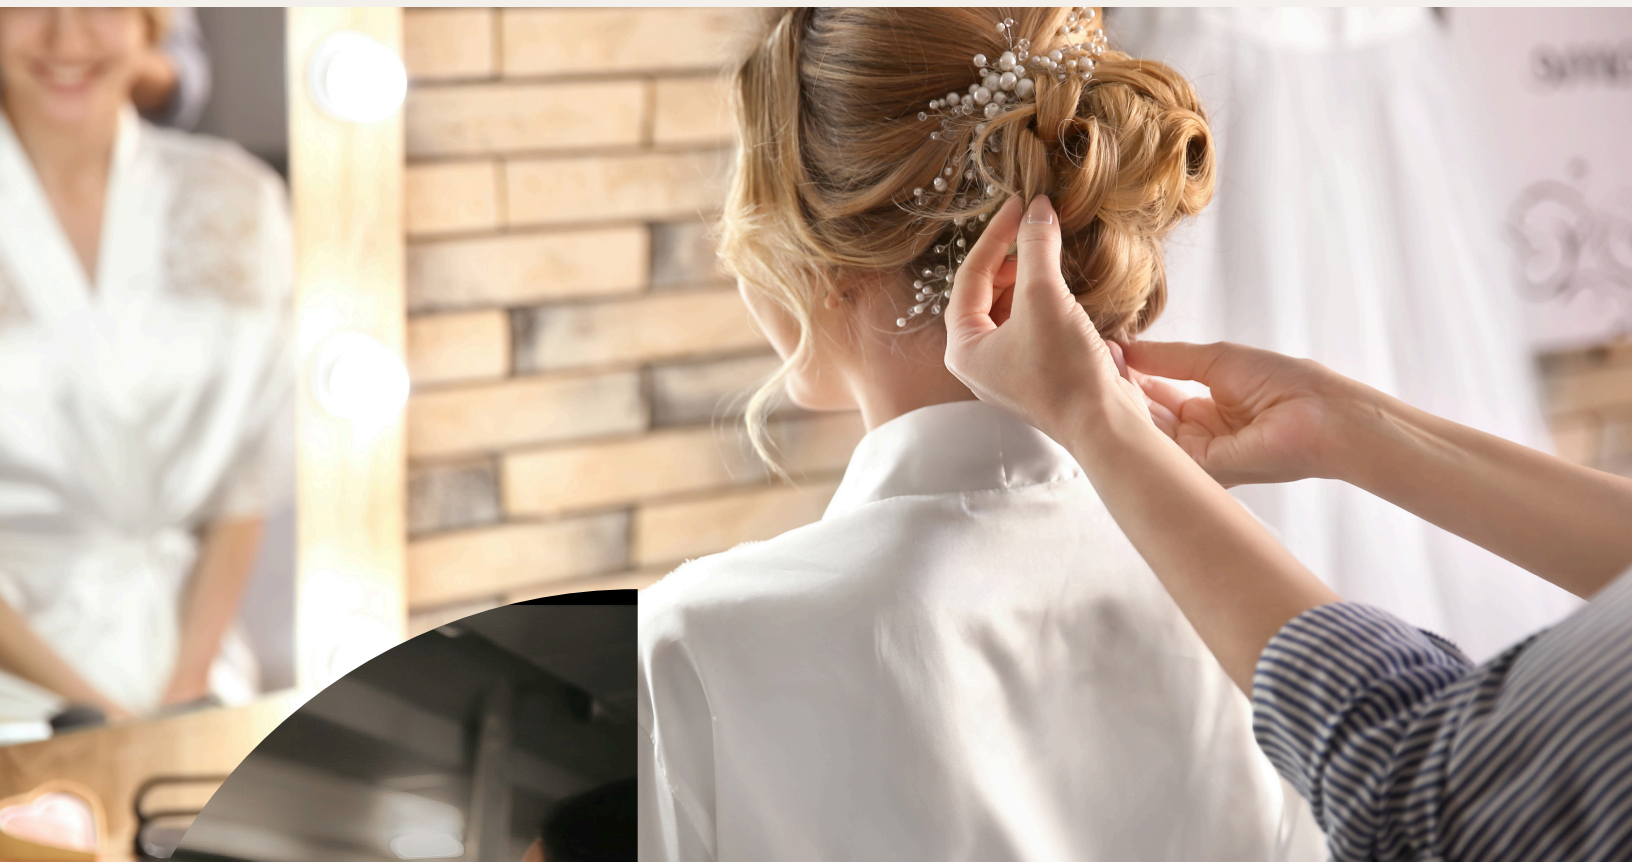

TIMELESS. CLASSIC. YOU BUT BETTER LOOKS

At Kalo, we take a thoughtful and personalized approach to wedding day beauty. We don't believe in a one-size-fits-all look. Your face, features, and style are uniquely yours, and your bridal look should be too.

We work closely with you to create something that feels true to you: polished, radiant, and completely customized to your preferences.

Our signature style is timeless and refined — more about enhancing your natural beauty than following fleeting trends. While we're always happy to bring any vision to life, we specialize in soft, elevated looks that let you feel like the best version of yourself. You, but better.

SANITATION/INFECTION CONTROL

Your wedding day brings together loved ones of all ages — and we take every measure to ensure a safe, hygienic environment.

We maintain exceptionally high standards, including thoroughly cleaned brushes, single-use tools, de-potted products, and sanitized palettes. Our practices go beyond state licensing standards and align with current Public Health guidelines.

You can feel confident knowing every detail is handled with professionalism, intention, and your well-being in mind.
